

HOTONE SKYLINE Series
BLUES Stompbox
OVERDRIVE
Owner's Manual

THANK YOU FOR PURCHASING HOTONE PRODUCT!

BLUES is an overdrive stompbox for both guitarist and bassist. It has full range frequency response to create the classic tube-drive-like tone of blues style, clear, transparent, full of details, with the FAT button, you can get a richer tone with much more low end. Of course, it sounds VERY good on Bass too!

Control the gain of overdrive

Control the brightness of sound

Plug in 9V DC adapter (center negative)

Push it to get a richer and fatter sound

Control the output volume

Specifications
