THANK YOU FOR PURCHASING HOTONE PRODUCT!

GRASS is a classic overdrive stompbox for guitarist. It offers a super natural overdrive tone of a costly tube amplifier, great dynamic response and opening tone character, sounds from tasty light overdrive to juicy medium-low distortion. Not only just an elite vintage overdrive, the GRASS captures the brilliant retro tone and perfect play feeling, sounds full of details, it can easily blow the audiences away!

Control the gain of overdrive

Control the brilliance and sound details of overdrive

Plug in 9V DC adapter (center negative)

Push it to obtain a brighter tone

Control the output volume
