

**HOTONE** SKYLINE Series  
**LIFTUP** Stompbox  
CLEAN BOOST  
Owner's Manual

THANK YOU FOR PURCHASING HOTONE PRODUCT!

LIFTUP is an excellent clean boost stompbox for guitarist. With the blown-up boost function and NO DISTORTED tone, it provides a perfect solution of VOLUME UP. Furthermore, it retains the original taste and flavor of the original guitar signal, and you can shape the tone anyway you want!
